Flamingo Chair

By Foersom & Hiort-Lorenzen, 2003

Model	3370 - Flamingo Chair, X-base fixed
About	Almost like a flamingo standing on its slender legs, the Flamingo Chair is at once aesthetic and poetic. The graceful curves of the seat with its symbolic “wings” for arms are poised above the steel frame and long, slim legs.Flamingo is a neo-classic from 2003, with an appeal that’s timeless and trend-less.Flamingo adds elegance to dining experiences and a sense of tranquillity to executive meeting rooms.
