Library Table

By Børge Mogensen, 1958

Model	6271 - Gate leg table
About	The Library Table BM71 reflects Børge Mogensen's functional approach to design, where every single detail has a specific purpose, and every measurement is perfectly calibrated. Using the traditional English gate-leg principle, the length of the drop leaf table top can be doubled in size. When not in use, the hinged leaves fold down to hang vertically. Resulting in a clean, rectangular profile of a practical, multi-purpose design crafted in oak.
Product group	Tables
PACKAGING INFORMATION	L: 126/189/252 cm, W: 93 cm, H: 72 cm
