QuadroDesign

Environmentally conscious water solutions by design. Since 2001.

Modo

EN

Modo, with its deep moon-shaped slots, is studied and offered for a more ergonomic and precise flow regulation. Modo is a dialogue between essentiality and technology. Stainless steel dresses up with unique and sensual light and shadows reflexes. The simplest taps collection at its base makes the series universal, ideal for any interior context.

IT

Modo, con profonde scanalature a lunetta, proposte e pensate per un'ergonomica e precisa regolazione del flusso. Modo è un dialogo tra essenzialità e tecnica. L'acciaio si riveste di riflessi e giochi di luce e ombra, unici e sensuali. Una semplicissima linea di rubinetteria lo accompagna e lo rende universale, ideale per ogni contesto.
